CANS AND CASH HARVEST

Our Harvest Thanksgiving service will take place on
Sunday 11th October.

As usual we will each have an opportunity to show our thanks to God by giving generously to others. People continue to be generous and we have been able to maintain our food store. Unfortunately our storage space is limited and we have nowhere to put any more food - but we will need to replenish our supplies in the not too distant future. We are asking if people would like to put a donation in one of the envelopes provided and we will use this money to buy more supplies when necessary. As a traditional harvest most people would like to give something and if you would like to bring just a Can or tea/Coffee along with your donation that would be great! We do not need Pasta or Rice!

Please ensure that all food has a long shelf life – the use by/best before date should be as long as possible!

HARVEST LUNCH after the service

Don't forget our annual Harvest bring and share lunch after the service!
It is always great fun to get together and share with each other.

**This year we are going to have an international lunch -
can you bring along a national dish...???**

Please sign the list in the foyer if you are able to contribute to the lunch.

Please join us after
the service for a cup of
tea or coffee and a chat!
