We will soon be deciding which missions or charities we will be supporting in 2016. We all have our favourite charities, big, small, international, national or local – every charity that is suggested will be considered. Please give serious thought to a charity that is important to you – even if it is not well known.

Pass the name and details of your suggestion to Joan Kennedy or Pam Wise before Sunday 6<sup>th</sup> December 2015.

## Watford People's Climate March

Scientific evidence now overwhelmingly supports the view that climate change is the major challenge facing us this century. Over the next few decades our human well-being, the health of the earth and the survival of future generations are going to be really on the line unless we can halt global warming. The current rise in world temperatures is already having a devastating impact on many of the poorest communities around the world. The United Nations are meeting at the Paris Conference on Climate Change in November to agree a binding emissions agreement. People of faith across the world are on the move – walking, biking, sailing – and praying for the future of our planet.

Friends of the Earth are organising a peaceful demonstration to show the people of Watford and the world that we care about our local environment and our town, and that we want the leaders at the Paris Climate Talks to take climate change seriously, with actions, not just words.

**Sunday 29<sup>th</sup> November, 12-2pm.**

**Meeting Point – Reason Coffee Shop, The Parade (by the pond).**

**Route** - Down the High Street as far as the Harlequin/Intu entrance by McDonalds/Gourmet Burger Kitchen, and then back up again, to finish by the pond. Photos will be taken also with everyone outside the Town Hall for publicity purposes.

If you have any questions or would like more details please see Ricky.

There is a sign up sheet in the foyer.

**Please join us after  
the service for a cup of tea  
or coffee and a chat!**
